DEPARTMENTAL BULLETIN NO. 2

22 May 2002

DEPARTMENT WEB SITE REVISION (IASD-ISSB-WS)

1. Reference: State of New Jersey, Department of Treasury, Circular 97-01-OTS, State of New Jersey, Department of Treasury, Circular 02-06-OIT and Office of Assistant Secretary of Defense, Web Site Administration Policies and Procedures, published 25 November 1998.
2. This bulletin applies to all state and federal offices within the New Jersey Department of Military and Veterans Affairs.
3. Enclosure No. 1 of this bulletin contains a current listing of designated Internet Coordinators from each division, directorate, organization, and/or office within the department. If there is a change of Internet Coordinator or the position is currently vacant please appoint a new coordinator and forward the individual's name to IASD-ISSB-WS, Attn: Dave Snedeker. A "yes" comment in the fifth column of Enclosure No. 1 indicates that information from your office and/or agency is currently available to the general public on the Department of Military and Veterans Affairs web site.
4. Request your office review the appropriate directorate/office information on the DMAVA web site for required changes and/or additions. To review your content, please view the existing web pages on-line via the Internet. Enclosure No. 1 contains a current list of all department web sites and provides the web address for each site. A complete listing of all departmental web pages are also available on the Department Military and Veterans Affairs Site Map at location (URL): http://www.state.nj.us/military/site_map.html. If you are unable to view your web pages for any reason please contact the webmaster so that a hard copy print out can be provided.
5. Request all offices complete their review and return the required Internet Coordinator information along with any corrections and/or additions for your web site to the IASD-ISSB-WS office NLT 5 July 2002. Brief changes and/or additions may be submitted in hard copy or by email. All other changes or additions to your web material must be submitted using a Microsoft Office program file format (i.e. MS Word, Excel, Power Point, etc...). Digital files can be forwarded via e-mail or on disk. Offices with individuals familiar with HTML coding can also submit files in completed web page format. A negative reply is required if there are no changes. Offices indicated with ** asterisk in Enclosure No. 1 are not required to submit updates for their web content.
